Subject: Thank You

David,

A quick note to express our appreciation for Brooke Hanson's outstanding work at Unified Area Command in support of the Joint Information Center during the Gold King Mine response efforts. We quickly learned that we could rely on Brooke's skills to get job done and did so often. Brooke is a leader, extremely capable, thoughtful – and a joy to have on the team. Her contribution to our mission was invaluable and we could not have realized all our successes without her.

Thank you for loaning her to us (and letting us extend her stay).

Regards,

Nancy Grantham and David Gray
